Learn From Yesterday

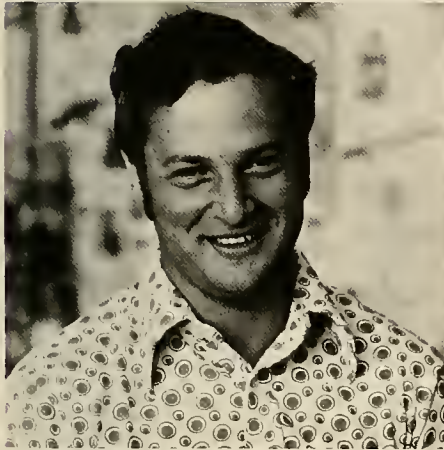

Live for Today

Hope for Tomorrow

To Mr. McCabe and Mr. Katz, for All You've Shared, for the Time You've Given — Thank You

Kindo' crazy, but our

Advisors were the best.

Together they made quite a pair!

Zony and hilarious, yet there when
we needed them.

Maybe we won't remember

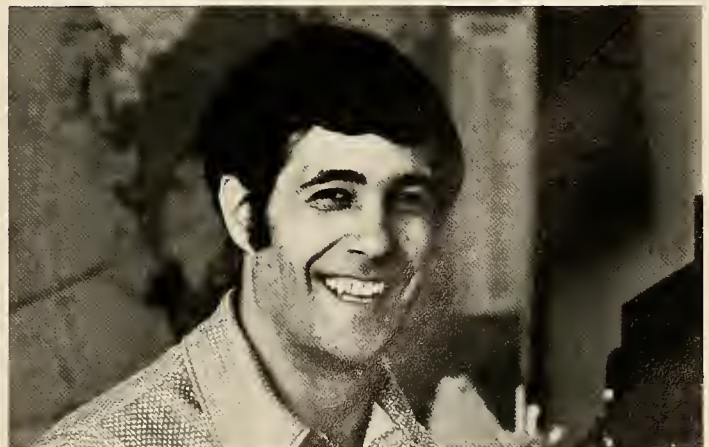

Certain dates or books we've read,
but always

Carefully tucked away will be

A special memory of two people
who gave so much.

Because of their support, concern, and

Enthusiasm, we will leave but we
will never forget.

The Tassel Tells The Tale

It's one of those nice graduation traditions: switching the tassel on your cap from one side to the other just after you receive your diploma. This tells the world you've completed a chapter in your life—successfully—and that you're ready for the next adventure, be it the beginning of a career or further education. Whichever road you follow, The Foxboro Company says congratulations, and Godspeed. Tomorrow is yours.
